

## **Minutes – Egremont Water Meeting 9 May 2019**

Egremont Town Hall ó 3:00 PM

Present: R. Palmucci; G. Lanoue; N. Stalker; W. Brinker

### **General:**

Minutes of the April 10, 2019 meeting were approved as distributed.

### **Old Business:**

April gallons pumped were 784,290; average 26,143 per day.

Meter maintenance and transmitter replacement continues.

Past due accounts are still making payments slowly but consistently; only one shutoff notice is being sent out this month.

The new connection on Phillips Road has been completed; it will be connected soon.

Corrosion Control funding was allocated at the Annual Town Meeting along with the annual budget.

The leak on Westview Road has been repaired Thursday; residents of the road will be billed as it was discovered it was a property owner's responsibility and not a Water Department line.

The Annual Statistical Report and the Consumer Confidence Report have been submitted and distributed.

Response and Emergency Plan updates have been completed and sent to DEP. Water rates were discussed as they are a requirement of the DEP Sanitary Survey requirements. The capital plan is being developed.

### **New Business:**

Sampling for lead and copper is being completed; samples will be brought to the lab this week.

Prices are being explored for internet service at the plant as well as a locator and software updates for the handheld reader for billing.

Voted to join Massachusetts Water Works Association in the amount of \$75 for one year.

### **Miscellaneous:**

The warrant to the Accounting Officer was approved for the May billing commitment in the amount of \$16,890.00.

The next meeting will be Thursday June 13, 2019 at 3:00PM.

Meeting adjourned at 4:00 PM.

Respectfully submitted,  
W. Brinker
